Independent Auditors' Report

To the Board of Directors California Alliance of Child and Family Services

Opinion

We have audited the accompanying consolidated financial statements of California Alliance of Child and Family Services (a non-profit organization), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of California Alliance of Child and Family Services as of December 31, 2021, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Alliance of Child and Family Services and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Alliance of Child and Family Services ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

1 CERTIFIED PUBLIC ACCOUNTANTS assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Alliance of Child and Family Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Alliance of Child and Family Services' internal control ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

Gilmon & Associates LCP

In accordance with *Government Auditing Standards*, we have also issued our report dated June 13, 2022, on our consideration of California Alliance of Child and Family Services' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of California Alliance of Child and Family Services' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering California Alliance of Child and Family Services' internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

December 31, 2021

Note 1 - Organization and Summary of Significant Accounting Policies

<u>The Organization</u> – California Alliance of Child and Family Services ("the Alliance") is a nonprofit mutual benefit corporation representing child and family service organizations throughout California. The Alliance's primary program activities are member advocacy, executive support, conferences and other opportunities for training and professional development in accordance with regulatory and organizational standards. The Alliance's member agencies provide a full array of services to children, youth and families often served through public systems. Among the services they provide are prevention, home and community-based care, adoption, resource families, behavioral health, residential and education services.

Children's Services Foundation ("the Catalyst Center") is a nonprofit public benefit corporation organized and operated exclusively for charitable purposes in California. The Catalyst Center's primary purpose is to provide education and training, research, sharing of resources and research findings, provide technical assistance, and promulgate standards and establish guidelines for best practice, all with the primary goal of improved services to children and families.

<u>Principles of consolidation</u> – The accompanying consolidated financial statements include the accounts of the Alliance and the Catalyst Center. The Alliance and the Catalyst Center are under the common control of the Alliance's Board of Directors. All significant intercompany accounts have been eliminated in consolidation.

<u>Basis of accounting</u> – The consolidated financial statements are prepared on the accrual basis of accounting. Accordingly, the Alliance's net assets are reported as unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

<u>Basis of presentation</u> – The Alliance classifies its net assets for accounting and reporting purposes into two classes, according to externally imposed restrictions:

Net assets without restrictions - Net assets that are not subject to donor-imposed stipulations, which represent the expendable resources that are available for operations at management's discretion.

Net assets with restrictions - Net assets subject to donor-imposed stipulations. These include both restrictions that can be fulfilled by actions of the Alliance pursuant to those stipulations or that expire by the passage of time, and donor-imposed stipulations that are to be maintained permanently by the Alliance. Generally, the donors of assets with permanent restrictions permit the Alliance to use all or part of the income earned on the assets.

Notes to Consolidated Financial Statements

December 31, 2021

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

<u>Accounts receivable</u> - The Alliance uses the allowance method in order to reserve for potential uncollectible accounts receivable. Allowance for doubtful accounts at December 31, 2021 was \$5,000.

<u>Investments</u> - The Alliance values its investments at fair value. Gains and losses (including investments bought, sold, and held during the year) are reflected in the consolidated statement of activities as gain (loss) on investments. Short term highly liquid bank deposits held in investment accounts and not used for operations are treated as investments.

<u>Fair value measurements</u> - Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs – unadjusted quoted prices on active markets for identical assets

Level 2 inputs – observable inputs other than quoted prices for identical assets

Level 3 inputs – estimates using the best information available when there is little or no market

The Alliance is required to measure certain investments at fair value. The Alliance uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Alliance measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

<u>Property and equipment</u> - Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the property and equipment. Additions with a cost of less than \$1,000 are expensed.

Revenue recognition

Membership dues - The Alliance satisfies performance obligation and records membership dues revenue ratably over the life of the one-year membership term, as members simultaneously receive and consume the benefits of the membership. The management believes that recognizing performance obligation over time is a best measure of progress toward complete satisfaction of the membership performance obligation. These arrangements give rise to contract liabilities (deferred revenue). Contract liabilities are recognized as revenue as performance obligations are satisfied. For the year ended December 31, 2021 deferred membership dues were \$176,211. Refer to Note 7.

Notes to Consolidated Financial Statements

December 31, 2021

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

<u>Training and conference fees</u> - In addition to membership dues income, the Alliance provides training and conferences for its members. The training and conference fees are recognized as revenue at the point the events are held, when ownership risk and rewards are transferred to the members. Training and conference fees paid in advance give rise to contract liabilities (deferred revenue). For the year ended December 31, 2021 deferred training and conference fees were \$162,305. Refer to Note 7.

<u>Grants and contracts</u> - Grants and contracts that serve the general public are treated as conditional contributions if they include a barrier and a right of return or a right of release of the promisor's obligation. Revenue is recognized when a specific barrier is overcome (when performance goals are met or qualifying expenditures are incurred). Conditional contributions received in advance are accounted for as refundable advances until the conditions have been substantially met.

<u>Contributions revenue</u> – Unconditional contributions are recognized as revenue in the period received. Conditional contributions – that is, those with measurable performance of other barriers and a right of return – are not recognized until the conditions on which they depend have been met. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

The Alliance reports cash contributions as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. The Alliance has adopted a policy to classify donor restricted contributions as without donor restrictions if the restrictions are met in the reporting period.

<u>Donated services</u> - Donated services are recognized as contributions if the services (a) create or enhance financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Alliance.

<u>Income taxes</u> - The Alliance and the Foundation are exempt from taxation under Internal Revenue Code Section 501(c)(6) and 501(c)(3), respectively, and California Revenue and Taxation Code Section 23701(d).

Notes to Consolidated Financial Statements

December 31, 2021

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

<u>Cost allocation</u> - The costs of providing the various programs and activities have been summarized on a functional basis in the consolidated statement of activities. Accordingly, indirect costs have been allocated among the programs and supporting services on a basis proportionate to direct staff time or other method which best measures the relative degree of benefit.

<u>Subsequent events</u> - Management has evaluated subsequent events through June 13, 2022, the date on which the financial statements were available to be issued.

<u>Use of estimates</u> - The preparation of consolidated financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Comparative totals</u> - The consolidated financial statements include certain prior-year summarized comparative information in total but not by net assets class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Alliance's consolidated financial statements for the year ended December 31, 2020 from which the summarized information was derived.

Note 2 - Investments

The fair value of securities has been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs). The table below represents the balances of investments measured at fair value as of December 31, 2021:

| Equities | \$ 966,401 |
|-------------------|-----------------|
| Corporate bonds | 240,109 |
| Real estate stock | 48,975 |
| Bank deposits | 67,840 |
| | \$ 1,323,325 |

Notes to Consolidated Financial Statements

December 31, 2021

Note 2 - Investments (continued)

Net investment return for the year ended December 31, 2021, included in the consolidated financial statement of activities is summarized as follows:

| Interest and dividends | \$ 28,799 |
|--|---------------|
| Net realized and unrealized gains (losses) | 155,364 |
| Investment expenses | (9,126) |
| | \$ 175,037 |

All investment return is classified without restriction in the consolidated statement of activities.

Note 3 - Fair Value Measurements

Fair values of assets measured on a recurring basis at December 31, 2021, are as follows:

| | Quoted Priced in | | |
|-------------|------------------|--|--|
| | Active Markets | | |
| | for Identical | | |
| | Assets (Level 1) | | |
| Investments | \$ 1,323,325 | | |

Note 4 - Deferred Contract Costs

Deferred contracts costs include additional contract costs paid in 2021 but billed in May 2022 under the 2022 contract, as allowed by the terms of the contract. As of December 31, 2021, total deferred contract costs were \$222,387.

Notes to Consolidated Financial Statements

December 31, 2021

Note 5 - Property and Equipment

As of December 31, 2021, property and equipment consists of the following:

| | Useiui | |
|---|--------|--------------|
| | Life | |
| Equipment | 3-8 | \$ 92,702 |
| Accumulated depreciation and amortization | | (65,056) |
| | | \$ 27,646 |

Note 6 - Restrictions on Net Assets

Net assets with donor restrictions consists of the following for the year ended December 31, 2021:

| | Beginning Balance | Contributions | Released from Restriction | Ending Balance |
|--|-------------------|---------------|---------------------------|-------------------|
| Casey Family Programs grant Genentech | 42,000 | 325,673 | (125,673) (42,000) | 200,000 |
| Total net assets | \$ 42,000 \$ | 325,673 | \$ (167,673) \$ | 200,000 |

Note 7 - Revenue Recognition and Deferred Revenue

The timing of revenue recognition for membership dues and conferences and training fees, and related billings and cash collections, results in billed accounts receivable and deferred revenue (contract liabilities) on the Statement of Financial Position. The table below shows the activity in deferred membership dues and training and conferences fees paid in advance for the year ended December 31, 2021:

| | | Deferred Membership | | Fraining and Conference | | Total Deferred |
|--|----|------------------------|----|-------------------------|----|-------------------|
| | _ | Dues | _ | Fees | _ | Revenue |
| | _ | | | | _ | |
| Balance as of December 31, 2020 | \$ | 162,967 | \$ | - | \$ | 162,967 |
| Previously deferred revenue recognized | | (162,967) | | - | | (162,967) |
| Cash received | | 1,742,275 | | 164,930 | | 1,907,205 |
| Current revenue recognized | | (1,566,064) | | (2,625) | | (1,568,689) |
| Balance as of December 31, 2021 | \$ | 176,211 | \$ | 162,305 | \$ | 338,516 |

Notes to Consolidated Financial Statements

December 31, 2021

Note 8 - Information Regarding Liquidity and Availability

The Alliance strives to maintain liquid financial assets sufficient to cover 90 days of general expenditures. Financial assets in excess of daily cash requirements are invested in money market funds and other short-term investments.

The following table reflects the Alliance's financial assets as of December 31, 2021. Amounts not available may include board designated funds, which if the need arises could be drawn upon through board resolution. Amounts not available to meet general expenditures within one year also may include net assets with donor restrictions.

| Financial assets at year end: | |
|---|-----------------|
| Cash and cash equivalents | \$ 383,636 |
| Investments | 1,323,325 |
| Accounts receivable | 345,236 |
| | 2,052,197 |
| Less amounts not available to be used within one year | |
| Net assets with donor restrictions | (200,000) |
| Financial assets available to meet cash needs for | |
| general expenditures within one year | \$ 1,852,197 |

Note 9 - Retirement Plans

The Alliance participates in a defined contribution profit-sharing plan under IRC 401(k). All employees age twenty-one and older who have completed one year of service are eligible to participate in the plan. Participants may contribute up to 15% of their compensation. The Alliance contributes 10% of compensation to each participant's account in the plan regardless of the participant's voluntary contribution. Employer contributions under this plan for the year ended December 31, 2021 were \$104,789. Participants' accounts are fully vested from the date of participation in the plan.

Note 10 - Concentrations

Credit risk

The Alliance maintains cash balances and money market accounts at various financial institutions, which are FDIC insured up to the limits allowed by law. At times such balances may exceed the insurance limit. The Alliance has not experienced any losses in such accounts, and management believes the Alliance is not exposed to any significant credit risk related to cash.

Notes to Consolidated Financial Statements

December 31, 2021

Note 10 - Concentrations (continued)

Credit risk (continued)

Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies and foundations that support the Alliance's mission. Investments are managed by a diversified investment manager whose performance is monitored by the Board of Directors. Although the fair value of investments is subject to fluctuations on a year-to-year basis, the Board of Directors' believes that the investment policies and guidelines are prudent for the long-term welfare of the Alliance.

Major customers

As of December 31, 2021, contract revenue from one government agency accounted for approximately \$420,000 or 13% of total revenue. At December 31, 2021, the accounts receivable due from this agency was approximately \$20,000 or 6% of total receivable balance.

Note 11 - Commitments

The Alliance leases their facility under an operating lease. The lease calls for monthly lease payments of \$4,000 through January 2021 after which payments increased to \$4,040. Effective, February 1, 2024 rent payment increase to \$4,050. The lease expires in January 2025.

Future minimum payments under this lease consists of the following:

| Year ending December | <u>er 31</u> | |
|----------------------|--------------|---------|
| 2022 | \$ | 48,440 |
| 2023 | | 48,440 |
| 2024 | | 48,490 |
| 2025 | | 4,050 |
| | | |
| | \$ | 149,420 |

Rent expense for all operating leases, which includes year-to-year leases, for the year ended December 31, 2021, was \$59,440.

Notes to Consolidated Financial Statements

December 31, 2021

Note 12 - Contingencies

In early 2022, the Alliance cancelled its Winter 2022 conference due to the spread of COVID-19. Because cancellation was within 90 days of the event, the Alliance incurred a \$236,826 cancellation penalty, of which \$177,620 will be applied to the 2022 and 2023 conference deposits. The remaining balance of \$59,207 will be expensed in 2022. The penalty was paid in full in January 2022.

Note 13 - Uncertainty Due to COVID-19

The Alliance adapted its operations so that a majority of its services are provided remotely and is currently transitioning to a hybrid work model that incorporates a mixture of in-office and remote work. Management believes that the adaptive changes in operations along with current resources will be sufficient to protect the Alliance from the near-term negative impact related to the COVID-19 pandemic. The extent to which the pandemic may impact the Alliance's operations remains uncertain.

In addition, the pandemic has had a broad impact on commerce and financial markets around the world. The United States and global markets experienced significant volatility resulting from uncertainty caused by the pandemic. The Alliance is closely monitoring its investment portfolio and its liquidity and is actively working to minimize the impact of this volatility.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors California Alliance of Child and Family Services

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained *in Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of California Alliance of Child and Family Services ("the Alliance"), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 13, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Alliance's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purposes of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Alliance's internal control. Accordingly, we do not express an opinion on the effectiveness of the Alliance's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged in governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

CERTIFIED PUBLIC ACCOUNTANTS

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Alliance's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Alliance's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Alliance's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Gilmon & Associates LCP

San Mateo, California

June 13, 2022

To Those Charged with Governance California Alliance of Child and Family Services

We have audited the consolidated financial statements of California Alliance of Child and Family Services (the Alliance) for the year ended December 31, 2021 and have issued our report thereon dated June 13, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our engagement letter to you dated February 2, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Alliance are described in Note 1. No new accounting policies were adopted and the application of existing policies was not significantly changed during the year ended December 31, 2021. We noted no transactions entered into by Alliance during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Management's estimate of the fair market value of investments is based on appropriate valuation techniques. When available, management uses unadjusted quoted prices on active markets for identical assets. We evaluated the key factors and assumptions used to determine fair value of investments in determining that they are reasonable in relation to the financial statements taken as a whole.
- Management's estimate of the depreciable lives and estimated residual value of property and equipment is based on the estimated useful life of the asset. We evaluated the key factors and assumptions used to develop the estimate of depreciable lives and estimated residual value of property and equipment in determining that it is reasonable in relation to the financial statements taken as a whole.

To those Charged with Governance California Alliance of Child and Family Services Page 2 of 3

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting financial statements are:

- Information regarding liquidity and availability in Note 8.
- Uncertainty due to COVID-19 in Note 13.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of the audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 13, 2022.

Management Consultations with Other Independent Accountants

In some cases management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Alliance's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

To those Charged with Governance California Alliance of Child and Family Services Page 3 of 3

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Alliance's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

This information is intended solely for the use of those charged with governance and management of California Alliance of Child and Family Services and is not intended to be, and should not be, used by anyone other than those specified parties.

Gilmone & Associates UP

Very truly yours,

Gilmore & Associates, LLP
